On the day of the event, if you need to be in touch, please call or text Joyce at 860-550-4584.

**Below are listed the others who will be in your 'block'. Set up as whatever works best for you, we've provided you with an approximate space. Remember to give room for movement of pedestrians on the street, and please do not block doorways unless that business is closed for the evening.**

**Host:** Katherine Kamerer is your Block Captain. If you have any questions, you might want to check with her.

**Note:** We expect you to remain at your site during the event. If you cannot, or need to leave, please let your Block Captain contact know (or contact Joyce). If you're an artist or vendor selling your work, you are responsible for all transactions.

**Exhibit/display/site install and take down instructions:**

- You should be set up to begin right at 5:30PM on Thursday, May 4. Please contact your Block Captain contact (or Joyce) right away if this changes for you.
- Your set up/display/equipment should be taken down at the end of the evening, unless you've made arrangements with the Block Captain (or Joyce). Exhibits may be left in place for a longer period of time if the artist and site host reach a mutual agreement.

### **RAIN EVENT INFORMATION**

**If it's raining, and we hope it's not, we will be in touch and most likely move you into MCC on Main, located at 903 Main Street. Musicians will then be heard on a rotating basis for the evening. You'll hear from Joyce about that schedule if necessary.**

**Thank you so much for participating in Imagine Main Street, we hope it was fun and successful for you. We hope you'll keep in touch with feedback and come back again! Events will sometimes be the full length of downtown, and sometimes in specialized blocks. Ideas and volunteers are welcome!**
