

## For President

Hi! As most of you know, my name is **Tashfia Jilu**. I am a junior and will be a senior next year! This year was my second year as president of Student Council, and I'm running again because over the past two years it's become my passion.

We have accomplished so many great things this year, and I just want to thank everyone who has helped with all the Student Council activities! Many students and faculty spent hours setting up for the Halloween Party, Homecoming, and Pep Rally. Thank you for all you have done!

Over the past two years I've learned so much about how Student Council works and how things need to get done. And I know everything wasn't perfect this year, but I have all of that information to make next year even better. Plus, it's going to be my senior year so you can bet I'm gonna make it the best year for all of us!

Being Student Council President is a huge responsibility that requires many hours of dedication and work. The past two years I've spent any free time I had working on Student Council things, during and after school. However, to me, it's not just a job. It's something I love to do. I love working for you and making your year great. I want to do this for you, I have done this for you, and I want to continue doing this for you.

My name is **Drey Kearns** and I'm a Sophomore in MDET. I'm running for President and hope to make everyone happy. I am also a representative for my shop, I hope to lead cheney tech through issues and choices successfully and everyone will be heard when making decisions.

## For Vice-President

My name is **William Cross**, I'm a junior in IST from the small town of Union. You've probably seen me during special events wearing a red SkillsUSA blazer. Maybe you know me personally, maybe you've never met me. I'm looking to meet as many people as I can to represent you, if you see me in the hall come up and say hi! I'm happy to talk with you and exchange Snapchats. My goal is to get as much student input as possible to make our activities fun and amazing. I'm involved and very qualified for this position as I'm in many school clubs and organizations such as: SkillsUSA, Rho Kappa, Yearbook Club, Student Congress, and Student Council. I'm passionate about the work I do to serve you all. I love what I do and I'm going to work just as hard to continue our success among the Student Council officers. I'm very happy with the way things have gone this year and I'm looking to make things even better next year. Let's go Cheney!

## For Secretary

I, **Danielle Solito**, am the captain of the Town of Vernon Volunteer Fire Department's junior company. I was the student council alternate my freshman year, representative my sophomore year and secretary my junior year. I've been the Class of 2018 Vice President since my freshman year. I've been playing soccer since the age of six and have played with Cheney starting my sophomore year. I look forward to serving as secretary again for the 2017-2018 school year!

## Treasurer

Greetings fellow students. I am **Amanda Healey**, and I am running for Student Council Treasurer. In the past, I've had experience with financial stuff, as I determine what Christmas presents are within my budget and likable. I've also estimated how much I would need to buy Christmas presents when I went on vacation, and I'm also weighing my financial options for college. I'm also going to have a part time job as a cashier at a grocery store. As Treasurer, I will try my hardest to make sure we have the funds for school activities, and field trips. I hope you consider me for treasurer and will give me your support.

My name is **Thaiyeba Mahzabin** (Th-aye-ba). I'm a freshmen in MDET. I serve as the Vice President for the Class of 2020, as well as the representative for my shop. I have helped out with numerous successful student council activities this year, and I hope to also help out more next year. I hope to learn a lot next year and continue to gain more knowledge through student council throughout the next few years. I am fully capable of being treasurer, and I believe I would do a good job. Please vote me for Treasurer!
