School Counseling Services
School Counseling staff provides services to promote and enhance student learning through academic, career and personal/social experiences.

Counseling - Individual and group counseling, as well as peer mediation, conflict resolution and crisis intervention is provided as needed.

Student Assistance Team (SAT) - Coordinated by our school social worker, the Student Assistance Team provides an in-depth approach to identifying and providing specific support services.

Report Cards & Transcripts - Report cards are generated quarterly and sent to parents approximately 8 days after grades close. Transcripts are provided to current and former students upon request.

Course Selection & The Student Success Plan - The counseling department collaborates with administration, teachers and students to develop student schedules that reflect the student's goals, interest and abilities.

Recruiting & Admissions - In addition to serving our current students, school counseling is also responsible for admissions and all recruiting activities.
